

COMPACT COOL AIR CIRCULATOR

DF15-R31-AC

POWERFUL COMPACT EFFICIENT STYLISH REMOTE CONTROL

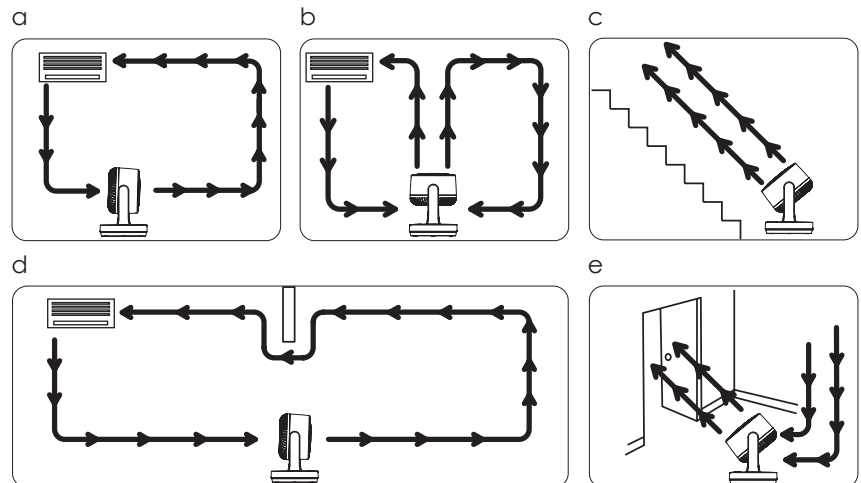

NSA^{UK}'s Table Top Air Circulator provides compact, efficient cooling with its powerful 3 speed motor and multi position head. Direct the airflow where you need it most, and the Compact Cool will move air efficiently round the room to provide instant, powerful cooling.

Small yet mighty, this personal air circulator offers safe and quiet cooling packed into a sleek, compact and stylish design - perfect for any home or office.

With 3 speeds, 7hr timer, oscillation, handy remote control and a 0-90° tilt adjustment this compact fan ensures optimum performance for your personal needs.
